

In the claims:

No claims have been amended herein. A complete set of claims is listed below.

Claims 1-47 (Cancelled)

48. (Previously amended) A dietary supplement comprising a grape seed extract, a grape skin extract, and at least one enzyme, wherein said grape seed extract comprises 3.3 percent or more of said (supplement) by weight, and wherein said grape seed extract and said grape skin extract contain a flavonoid.

49. (Previously added) The supplement of claim 48, wherein said supplement is in the form of a pill, powder, or tablet.

50. (Previously added) The supplement of claim 48, wherein said at least one enzyme comprises a fungal protease, acid stable protease, or bromelain.

51. (Previously added) The supplement of claim 48, wherein said supplement comprises a bilberry extract.

52. (Previously added) The supplement of claim 48, wherein said supplement comprises a ginkgo biloba extract.

53. (Previously added) The supplement of claim 48, wherein said supplement comprises quercetin.

54. (Previously added) The supplement of claim 48, wherein said at least one enzyme comprises about 24 percent or less of said supplement by weight.

55. (Previously added) The supplement of claim 48, wherein said supplement is PROVEXCV™.

56. (Previously added) The supplement of claim 48, wherein said supplement is PROVEXCV2™.

57. (Previously added) The supplement of claim 48, wherein said supplement comprises a ginkgo biloba extract, a bilberry extract, quercetin, a fungal protease, an acid stable protease, and bromelain.

58. (Previously amended) A dietary supplement comprising a grape seed extract, a grape skin extract, and at least one enzyme, wherein said grape seed extract and said grape skin extract combined comprise 32 percent or more of said supplement by weight, and wherein said grape seed extract and said grape skin extract contain a flavonoid.

59. (Previously added) The supplement of claim 58, wherein said supplement is in the form of a pill, powder, or tablet.

60. (Previously added) The supplement of claim 58, wherein said at least one enzyme comprises a fungal protease, acid stable protease, or bromelain.

61. (Previously added) The supplement of claim 58, wherein said supplement comprises a bilberry extract.

62. (Previously added) The supplement of claim 58, wherein said supplement comprises a ginkgo biloba extract.

63. (Previously added) The supplement of claim 58, wherein said supplement comprises quercetin.

64. (Previously added) The supplement of claim 58, wherein said at least one enzyme comprises about 24 percent or less of said supplement by weight.

65. (Previously added) The supplement of claim 58, wherein said supplement is PROVEXCV™.

66. (Previously added) The supplement of claim 58, wherein said supplement is PROVEXCV2™.

67. (Previously added) The supplement of claim 58, wherein said supplement comprises a ginkgo biloba extract, a bilberry extract, quercetin, a fungal protease, an acid stable protease, and bromelain.

68. (Previously amended) A method for providing a mammal with a dietary supplement, said method comprising administering said supplement to said mammal, wherein said supplement comprises a grape seed extract, a grape skin extract, and at least one enzyme, wherein said grape seed extract and said grape skin extract contain a flavonoid, and wherein:

(a) said grape seed extract comprises 3.3 percent or more of said supplement by weight,  
or

(b) said grape seed extract and said grape skin extract combined comprise 32 percent or more of said supplement by weight.

69. (Previously added) The supplement of claim 68, wherein said supplement is in the form of a pill, powder, or tablet.

70. (Previously added) The supplement of claim 68, wherein said at least one enzyme comprises a fungal protease, acid stable protease, or bromelain.

71. (Previously added) The supplement of claim 68, wherein said supplement comprises a bilberry extract.

72. (Previously added) The supplement of claim 68, wherein said supplement comprises a ginkgo biloba extract.

73. (Previously added) The supplement of claim 68, wherein said supplement comprises quercetin.

74. (Previously added) The supplement of claim 68, wherein said at least one enzyme comprises about 24 percent or less of said supplement by weight.

75. (Previously added) The supplement of claim 68, wherein said supplement is  
(PROVEXCV™.)

76. (Previously added) The supplement of claim 68, wherein said supplement is  
(PROVEXCV2™.)

77. (Previously added) The supplement of claim 68, wherein said supplement comprises a ginkgo biloba extract, a bilberry extract, quercetin, a fungal protease, an acid stable protease, and bromelain.
